Back Facial	Back facials can be beneficial in cleansing those tough-to-reach spots, targeting a variety of skin care needs such as clogged pores, back acne, and dehydrated skin. Includes consultation and post treatment recommendations.	\$ 40.00
Brazilian Maintenance	Must have had prior Brazilian service at this location within 4-6 weeks	\$ 35.00
Brighten & Defend Facelift	In this 30-minute facial, we incorporate a dynamic duo; Dermalogica's #1 serum and #1 moisturizer to brighten skin and provide comprehensive Broad Spectrum protection all at once	\$ 35.00
Deeply Nourishing Facelift	An ultra-rich phytonutrient moisturizing facial designed to combat dry skin and moisturizer throughout. The incorporation of Vitamin C helps to smooth the appearance of dry lines and skin damage, leaving skin soft, supple and rejuvenated. Experience the results of Intensive Moisture Cleanser and Intensive Moisture Balance in this professional treatment!	\$ 25.00
Dermaplaning	Dermaplaning removes excess fine hairs which are known for trapping the dirt, oil and dead skin cells in your pores that are the main cause of acne and blemishes. Dermaplaning leaves your skin brighter, and healthier giving you that "baby smooth" look and feel. Dermaplaning is a low-risk procedure. Side effects may include slight redness in your face in the hours after getting the treatment.	\$ 75.00

Ion Facial	This signature 75 min facial begins with a double cleanse using an ultrasonic blade to deeply clean, dermaplane exfoliation, NanoInfused serum application, finished off with a deeply nourishing gel masque. Extractions and face,arm,hand massage included.	\$ 65.00
Lash Lift		\$ 50.00
Lash Tint		\$ 24.00
MyoLift Microcurrent Facial	A microcurrent facial is often referred to as a “natural” face lift. This safe and painless facial helps erase fine lines and wrinkles, while firming your skin and defining your features. It improves muscle tone, reduces puffiness, increases cellular activity, and tightens pores.	\$ 100.00
Nano Infusion	Nanoinfusion facial treatments use a automated handheld device with nano needles that exfoliates the skin surface, while infusing antioxidants into the skin surface. Nano infusion is PAIN FREE, no numbing cream needed!	\$ 50.00
Pro Power Peel	From fine lines and wrinkles to acne and hyperpigmentation, chemical peels are one of the most effective ways to address these changes. But they’re not a one-size-fits-all treatment: for optimal results, a peel should be strong enough to accelerate cell turnover but not so powerful as to induce severe skin inflammation.	\$ 75.00
Pro Skin Facial	Use of Dermalogica products, facial (appx. 45 min) includes double cleanse, exfoliation, face massage, and choice of hydrating, clarifying, or soothing mask.	\$ 45.00
Rapid Radiance Facelift	This express service that incorporates Rapid Reveal Peel. FaceFit™ treatments. (Does not include extractions or massage)	\$ 25.00
Wet Microdermabrasion	Mechanical exfoliation consists of a vacuum system that draws dead cells and debris. Wet/dry microdermabrasion gives us the ability to use the technique several times during the same treatment, and a different product can be used each time. This includes the use of Dermalogica products that cleanse, exfoliate, and hydrate the skin.	\$ 75.00
